Description of Advisory Services

The following are descriptions of the primary advisory services of B.O.S.S. Retirement Advisors. Please understand that a written agreement, which details the exact terms of the service, must be signed by you and B.O.S.S. Retirement Advisors before we can provide you the services described below.

Financial Planning & Consulting Services - B.O.S.S. Retirement Advisors offers financial planning services, which involve preparing a written financial plan covering specific or multiple topics. We provide full written financial plans, which may address one or more of the following topics: Investment Planning, Retirement Planning, Insurance Planning, Tax Planning, Education Planning, Portfolios Review, Asset Allocation, and Real Estate Planning. When providing financial planning and consulting services, the role of your investment adviser representative is to find ways to help you understand your overall financial situation and help you set financial objectives. We also provide modular written financial plans which only cover those specific areas of concern mutually agreed upon by you and us. A modular written financial plan is limited or segmented and does not involve the creation of a full written financial plan. You should be aware that there are important issues that may not be taken into consideration when your investment adviser representative develops his or her analysis and recommendations under a modular written financial plan. Written financial plans prepared by us do not include specific recommendations of individual securities.

We also offer consultations in order to discuss financial planning issues when you do not need a written financial plan. We also offer “as-needed” consultations, which are limited to consultations in response to a particular investment or financial planning issue raised or request made by you. Under an “as-needed” consultation, it will be incumbent upon you to identify those particular issues for which you are seeking our advice or consultation.

Our financial planning and consulting services do not involve implementing any transaction on your behalf or the active and ongoing monitoring or management of your investments or accounts. You have the sole responsibility for determining whether to implement our financial planning and consulting recommendations.

Investment Management Services - B.O.S.S. Retirement Advisors provides ongoing discretionary and non-discretionary investment management services to individuals, families and businesses. B.O.S.S. Retirement Advisors may manage accounts jointly with another investment advisory firm, AE Wealth Management, LLC (AEWM), located in Topeka, KS, or may refer investment management engagements to third party managers or platform providers.

When managing accounts jointly with AEWM, B.O.S.S. Retirement Advisors can access model portfolios, model managers, strategists, third party money managers, and trading services through AEWM’s managed account program. As part of the AEWM program, clients are asked to grant us and AEWM discretion to select third party, non-affiliated investment managers (“Model Managers”) to design and manage model portfolios for client assets. For accounts managed under this arrangement, we provide clients with a copy of AEWM’s disclosure brochure which contains a detailed description of AEWM’s services.

When referring accounts to third party managers or platform providers, B.O.S.S. Retirement Advisors acts as the liaison between the client and the applicable third party manager or platform provider in return for an ongoing portion of the overall advisory fees charged. Specifically, B.O.S.S. Retirement Advisors helps clients assess appropriateness of participating in programs, conduct risk profile analysis, and develop investment objectives. The firm also helps clients complete the necessary paperwork, provides ongoing oversight of the applicable third party manager or platform provider, provides the applicable third party manager or platform provider with any changes in client status as communicated to B.O.S.S. Retirement Advisors by the client, and reviews the quarterly statements and other reports provided by the third party manager or platform provider.

Workshops

B.O.S.S. Retirement Advisors offers educational, informative and motivational workshops to the public as well as to associations, family foundations and employers. Workshops are always offered on an impersonal basis and do not focus on the individual needs of the participants. B.O.S.S. Retirement Advisors’ workshops are for educational purposes only and do not give any financial, legal or tax advice.

B.O.S.S. Retirement Advisors will cover the topic of Social Security and general retirement topics during its workshops. The purpose of the workshop is to help consumers become aware of how and when they file for Social Security can make a difference on benefits received during retirement. B.O.S.S. Retirement Advisors is not associated in any way with the Social Security Administration or any government agency. B.O.S.S. Retirement Advisors does not discuss any specific products during our workshops. Participants are notified during the workshop that if they choose to meet with B.O.S.S. Retirement Advisors, that we are insurance licensed and may be presented with generally available insurance or annuity products that we believe are suitable for their specific needs.

Tailor Advisory Services to Individual Needs of Clients

B.O.S.S. Retirement Advisors' advisory services are always provided based on your individual needs. Our financial planning and consulting services are always provided based on your individual needs. When providing financial planning and consulting services, we work with you on a one-on-one basis through interviews and questionnaires to determine your investment objectives and suitability information.

We will not enter into an investment adviser relationship with a prospective client whose investment objectives may be considered incompatible with our investment philosophy or strategies or where the prospective client seeks to impose unduly restrictive investment guidelines.

Wrap Fee Programs

B.O.S.S. Retirement Advisors' does not sponsor any wrap fee programs. However, AEWM and/or its third party managers may offer such a program. Details about these programs are available in the applicable firm's Form ADV Part 2 Brochure.

Client Assets Managed by B.O.S.S. Retirement Advisors

As of December 31, 2019, B.O.S.S. Retirement Advisors had \$158,476,066 in assets under management. \$158,216,635 of which was managed on a non-discretionary basis and \$259,464 was managed on a discretionary basis.

Item 5 – Fees and Compensation

In addition to the information provided in *Item 4 – Advisory Business*, this section provides additional details regarding our firm's services along with descriptions of each service's fees and compensation arrangements. It should be noted that lower fees for comparable service may be available from other sources. The exact fees and other terms will be outlined in the agreement between you and B.O.S.S. Retirement Advisors.

Financial Planning & Consulting Services

Fees charged for our financial planning and consulting services are negotiable based upon the type of client, the services requested, the investment adviser representative providing advice, the complexity of the client's situation, the composition of the client's account, other advisory services provided and the relationship of the client and the investment adviser representative. The following are the fee arrangements available for financial planning and consulting services offered by B.O.S.S. Retirement Advisors.

Fees for Financial Planning Services

B.O.S.S. Retirement Advisors provides financial planning services under a fixed fee arrangement. A mutually agreed upon fixed fee is charged for financial planning services under this arrangement. There is a range in the amount of the fixed fee charged by B.O.S.S. Retirement Advisors for financial planning services. The minimum fixed fee is generally \$500, and the maximum fixed fee is generally no more than \$2,500. Clients may be able to receive similar financial planning services elsewhere for a lower cost. The amount of the fee will depend upon the complexity of the client's situation, financial condition and the actual services to be provided. The exact fee will be quoted to the client and disclosed in the financial planning client agreement with B.O.S.S. Retirement Advisors. At our sole discretion, you may be required to pay in advance of the fixed fee at the time you execute an agreement with B.O.S.S. Retirement Advisors; however, at no time will B.O.S.S. Retirement Advisors require payment of more than \$500 in fees more than six months in advance. Upon completion and delivery of the financial plan, the fixed fee is considered earned by B.O.S.S. Retirement Advisors and any unpaid amount is immediately due.

To the extent B.O.S.S. Retirement Advisors provides you with general investment recommendations as part of the financial planning services and you implement such investment recommendations through a third-party money manager recommended by B.O.S.S. Retirement Advisors, we may offer in our agreement with you to waive or reduce the fees for financial planning services.

The financial planning services terminate upon delivery of the written financial plan or upon either party providing the other party with written notice of termination.

You may terminate the financial planning services within five (5) business days of entering into an agreement with B.O.S.S. Retirement Advisors without penalty or fees due. If you terminate the financial planning services after five (5) business days of entering into an agreement, you will be responsible for immediate payment of any financial planning services performed by B.O.S.S. Retirement Advisors prior to the receipt by B.O.S.S. Retirement Advisors of your notice. For financial planning services performed by B.O.S.S. Retirement Advisors under a fixed fee arrangement, you will pay B.O.S.S. Retirement Advisors a pro-rated fixed fee equivalent to the percentage of work completed by B.O.S.S. Retirement Advisors as

determined by B.O.S.S. Retirement Advisors. In the event that there is a remaining balance of any fees paid in advance after the deduction of fees from the final invoice, those remaining proceeds will be refunded by B.O.S.S. Retirement Advisors to you.

There is a range in the amount of the fixed fee charged by B.O.S.S. Retirement Advisors for consulting services. At our sole discretion, you may be required to pay in advance of the fixed fee at the time you execute an agreement with B.O.S.S. Retirement Advisors. At no time will B.O.S.S. Retirement Advisors require payment of more than \$500 in fees more than six months in advance. The fixed fee will be considered earned by B.O.S.S. Retirement Advisors and any unpaid amount immediately due from Client upon the completion of the consulting services. The fixed fee will be considered earned by B.O.S.S. Retirement Advisors and immediately due from Client upon completion of the consulting services.

To the extent B.O.S.S. Retirement Advisors provides you with general investment recommendations as part of our consulting services and you implement such investment recommendations through us, B.O.S.S. Retirement Advisors at our discretion may offer to waive or reduce the fee for certain consulting services.

The "as-needed" consulting services will terminate upon either you or B.O.S.S. Retirement Advisors providing written notice of termination to the other party.

You may terminate the consulting services within five (5) business days of entering into an agreement with B.O.S.S. Retirement Advisors without penalty or fees due. If you terminate the consulting services after five (5) business days of entering into an agreement with B.O.S.S. Retirement Advisors of your notice. For consulting services performed by B.O.S.S. Retirement Advisors under a fixed fee arrangement, you will pay B.O.S.S. Retirement Advisors a pro-rated fixed fee equivalent to the percentage of work completed by B.O.S.S. Retirement Advisors as determined by B.O.S.S. Retirement Advisors. In the event that there is a remaining balance of any fees paid in advance after the deduction of fees from the final invoice, those remaining proceeds will be refunded by B.O.S.S. Retirement Advisors to you.

Other Fee Terms for Financial Planning & Consulting Services

You may pay the investment advisory fees owed for the financial planning services by submitting payment directly (for example, by check), or credit card.

If you elect to pay by credit card, you will provide written authorization to B.O.S.S. Retirement Advisors for such a charge.

You should notify B.O.S.S. Retirement Advisors within ten (10) days of receipt of an invoice if you have questions about or dispute any billing entry.

To the extent B.O.S.S. Retirement Advisors engages an outside professional (i.e. attorney, independent investment adviser or accountant) while providing financial planning and consulting services to you, B.O.S.S. Retirement Advisors will be responsible for the payment of the fees for the services of such an outside professional, and you will not be required to reimburse B.O.S.S. Retirement Advisors for such payments. To the extent that you personally engage such an outside professional, you will be responsible for the payment of the fees for the services of such an outside professional, and B.O.S.S. Retirement Advisors will not be required to reimburse Client for such payments. Fees for the services of an outside professional (i.e. attorney, independent investment adviser or accountant) will be in addition to and separate from the fees charged by B.O.S.S. Retirement Advisors, and you will be responsible for the payment of the fees for the services of such an outside professional. In no event will the services of an outside professional be engaged without your express approval.

All fees paid to B.O.S.S. Retirement Advisors for services are separate and distinct from the commissions, fees and expenses charged by insurance companies associated with any disability insurance, life insurance and annuities subsequently acquired by you. If you sell or liquidate certain existing securities positions to acquire any insurance or annuity, you may also pay a commission and/or deferred sales charges in addition to the financial planning and consulting fees paid to B.O.S.S. Retirement Advisors and any commissions, fees and expenses charged by the insurance company for subsequently acquired insurance and/or annuities.

Your investment adviser representative in his or her separate capacity as an insurance agent may suggest that you implement recommendations of B.O.S.S. Retirement Advisors by purchasing disability insurance, life insurance, annuities, or other insurance products. Your investment adviser representative may receive commissions in its capacity as an insurance agent. This receipt of commissions creates an incentive for the representative to recommend those products for which your investment adviser representative will receive a commission in his or her separate capacity as an insurance agent, rather than on a client's needs. Consequently, the advice rendered to you could be biased. To prevent conflicts of interest, we have developed written supervisory procedures that prohibit our investment adviser representatives from preferring their own interests to that of the client. Any associated person not observing our policies is subject to sanctions up to and including termination.

You are under no obligation to implement any insurance or annuity transaction through your investment adviser representative. *(Please refer to Item 10 Other Financial Industry Activities and Affiliations for more details.)*

If you elect to have your investment adviser representative, in his or her separate capacity as an insurance agent, implement the recommendations of B.O.S.S. Retirement Advisors, your investment adviser representative at his or her discretion may waive or reduce the investment advisory fee charged for these services by the amount of the commissions received by your investment adviser representative as an insurance agent. Any reduction of the investment advisory fee will not exceed 100% of the insurance commission received.

All fees paid to B.O.S.S. Retirement Advisors for advisory services are separate and distinct from the fees and expenses charged by mutual funds to their shareholders. These fees and expenses are described in each mutual fund's prospectus. These fees will generally include a management fee, other fund expenses and a possible distribution fee. If the fund also imposes sales charges, you may pay an initial or deferred sales charge.

All fees paid to B.O.S.S. Retirement Advisors for financial planning and consulting services are separate and distinct from the commissions charged by a broker-dealer or asset management fees charged by an investment adviser to implement such recommendations.

It should be noted that lower fees for comparable services may be available from other sources.

Investment Management Services

Fees for AEWM Co-Managed Accounts

For accounts that are managed on a co-advisory basis with AEWM, fees are generally charged in arrears based on the total account size at the end of the applicable period at a rate negotiated on a case by case basis depending on the engagement. A portion of the fee will be paid to AEWM, and a portion will be paid to B.O.S.S. Retirement Advisors.

The firm's general fee schedule for accounts managed with AEWM is as follows:

Account Size	Annual Fee
Up to \$1,000,000	2.00%
\$1,000,001 - \$3,000,000	1.25%
Assets over \$3,000,000	1.00%

Fees are generally deducted directly from client accounts on a monthly basis. Services provided through AEWM's managed account program are offered both on a non-wrap fee basis and through a wrap fee program. If a client chooses to receive services on a non-wrap fee basis, the client will be responsible for separate commissions, ticket charges, and custodian fees for the execution of transactions in the account. These charges (if applicable) will be in addition to any investment management fee that is paid to AEWM and to our firm. If a client chooses to receive services through the wrap fee program, the client will only pay fees based on assets under management and will not pay a separate commission, ticket charge, or custodian fee, for the execution of transactions in the account.

Details about wrap programs of AEWM and or its third party managers are available in the applicable firm's Form ADV Part 2 Brochure.

Fees for Third-Party Managed Accounts

A complete description of a third-party money manager's or platform provider's services, fee schedules and account minimums will be disclosed in the applicable disclosure brochure which will be provided to you prior to or at the time an agreement for services is executed and the account is established.

When referred by B.O.S.S. Retirement Advisors, the overall investment advisory fee charged to you by a third party manager or platform provider will not exceed 2% annually. The applicable third party manager or platform provider will retain between 50 basis points (0.50%) and 90 basis points (0.90%) of the overall investment advisory fee (depending on the total amount of client assets that B.O.S.S. Retirement Advisors has referred to the manager or platform provider). B.O.S.S. Retirement Advisors will determine the remaining portion of the investment advisory fee that the third party manager or platform provider will charge the client, and this portion will be paid by the third party manager or platform provider to B.O.S.S. Retirement Advisors. The portion of the annual investment advisory fee charged by the third party manager or platform provider but determined by B.O.S.S. Retirement Advisors is negotiable dependent upon amount of assets managed. All fees are calculated and collected by the applicable third party manager or platform provider who will be responsible for delivering our portion of the fee paid by you to

us. The fees charged by the applicable third party manager or platform provider will generally be charged in advance and in most instances will be deducted directly from your account. Please refer to your client agreement with the applicable third party manager or platform provider as well as their disclosure brochure.

Under this program, you may incur additional charges including but not limited to, mutual fund sales loads, 12b-1 fees and surrender charges and IRA and qualified retirement plan fees.

We have a conflict of interest by only offering a limited number of third-party managers or platform providers that have agreed to pay a portion of their advisory fee to us and met the conditions of our due diligence review. There may be other third-party money managers or platform providers that may be suitable for you that may be more or less costly. No guarantees can be made that your financial goals or objectives will be achieved. Further, no guarantees of performance can be offered.

Workshops

Workshops are always provided free of charge.

Other Fees or Expenses

Due to our other financial industry activities and or affiliations, you may incur additional fees or expenses in connection with our services. This can create a conflict of interest and can create an incentive for our investment adviser representatives to recommend investment products based on the compensation received rather than the client's needs. As previously indicated, to prevent conflicts of interest, we have developed written supervisory procedures that prohibit our investment adviser representatives from preferring their own interests to that of the client. Any associated person not observing our policies is subject to sanctions up to and including termination. Clients have the option to purchase recommended products through other brokers or agents that are not affiliated with B.O.S.S. Retirement Advisors.

Please see *Item 10* for more information and additional details.

Item 6 – Performance-Based Fees and Side-By-Side Management

Performance-based fees are defined as fees based on a share of capital gains on or capital appreciation of the assets held in a client's account. *Item 6* is not applicable to this Disclosure Brochure because we do not charge or accept performance-based fees and therefore do not engage in side-by-side management.

Item 7 – Types of Clients

B.O.S.S. Retirement Advisors generally provides investment advice to the following types of clients:

- Individuals
- High net worth individuals
- Pension and profit sharing plans
- Trusts, estates, or charitable organizations
- Corporations or business entities other than those listed above

Minimum Investment Amounts Required

The minimum fixed fee generally charged for financial planning services on a fixed fee basis is \$500.

The minimum fixed fee generally charged for consulting services is \$250.

Third-party money managers and platform providers may have minimum account and minimum fee requirements in order to participate in their programs. Each-third party money manager or platform provider will disclose its minimum account size and fees in its Form ADV Part 2A Disclosure Brochure. However, B.O.S.S. Retirement Advisors generally requires a minimum of \$100,000 in order to refer a client to a third-party money manager or platform provider. To reach this minimum, a client can aggregate all household accounts. Exceptions may be granted to this minimum for family member and in anticipation additional assets for referral.

Item 8 – Methods of Analysis, Investment Strategies and Risk of Loss

Methods of Analysis

B.O.S.S. Retirement Advisors provides investment management services using AEWM, third party managers, and other program providers. For information about methods of analysis used by any of these entities, please refer to that entity's Form ADV Part 2 Brochure for additional details.

Investment Strategies

B.O.S.S. Retirement Advisors' general investment strategy is to attempt to reduce risk and volatility by building diversified portfolios through the use of third party managers and program providers. Each client completes paperwork that documents their objectives, assets and desired investment strategy. The investment strategy for a specific client is based upon the objectives stated by the client during consultations. The client may change these objectives at any time. For information about strategies offered by our outside providers, please refer to that entity's Form ADV Part 2 Brochure for additional details.

Risk of Loss

Past performance is not indicative of future results. Therefore, you should never assume that future performance of any specific investment or investment strategy will be profitable. Investing in securities (including stocks, mutual funds, and bonds, etc.) involves risk of loss. Further, depending on the different types of investments there may be varying degrees of risk. You should be prepared to bear investment loss including loss of original principal.

Due to the inherent risk of loss associated with investing, B.O.S.S. Retirement Advisors is unable to represent, guarantee, or even imply that services and methods of analysis used by third-party providers can or will predict future results, successfully identify market tops or bottoms, or insulate you from losses due to market corrections or declines.

Information about risks associated with third party providers can be found in the applicable party's disclosure brochure, which is available on request.

Item 9 – Disciplinary Information

Registered investment advisers are required to disclose all material facts regarding any legal or disciplinary events that would be material to the evaluation of the firm or the integrity of its management. B.O.S.S. Retirement Advisors is currently not subject to, nor has ever been subject to, any reportable legal or disciplinary events.

Item 10 – Other Financial Industry Activities and Affiliations

B.O.S.S. Retirement Advisors is an independent investment adviser and only provides investment advisory services. The firm does not engage in any other business activities and offer no other services except those described in this Disclosure Brochure. However, while we do not sell products or services other than investment advice, our representatives may sell other products or provide services outside of their role as investment adviser representatives with us. Clients should be aware that our associated persons have a conflict of interest in that they will generally only recommend insurance products of those companies for whom the associated persons are sales agents and with which the associated persons are familiar with the benefits, exclusions and other terms.

Insurance Activities

You may work with your investment adviser representative in his or her separate capacity as an insurance agent of B.O.S.S. Retirement Solutions. When acting in his or her separate capacity as an insurance agent, the investment adviser representative may sell, for commissions, general disability insurance, life insurance, annuities, and other insurance products to you through our insurance agency. As such, your investment adviser representative in his or her separate capacity as an insurance agent, may suggest that you implement recommendations of B.O.S.S. Retirement Advisors by purchasing disability insurance, life insurance, annuities, or other insurance products. This receipt of commissions creates an incentive for the representative to recommend those products for which your investment adviser representative will receive a commission in his or her separate capacity as an insurance agent. Consequently, the advice rendered to you could be biased. You are under no obligation to implement any insurance or annuity transaction through your investment adviser representative or B.O.S.S. Retirement Advisors or B.O.S.S. Retirement Solutions.

Third-Party Money Managers and Platform Providers

B.O.S.S. Retirement Advisors has developed a program, previously described in *Items 4 & 5* of this disclosure brochure, designed to allow us to recommend a third-party money manager or platform provider for you. Once you select the third-party money manager or platform provider to manage all or a portion of your assets, the third-party money manager will pay us a portion of the fees you are charged in the form of a referral fee. Please refer to *Items 4 and 5* for full details regarding the programs, fees, conflicts of interest and material arrangements when B.O.S.S. Retirement Advisors selects other investment advisers.

Real Estate Activities

Ryan Thacker, an investment adviser representative with B.O.S.S. Retirement Advisors, is also a licensed real estate agent in the State of Utah. He will receive separate compensation when providing these services. Clients needing assistance with real estate services will be referred to him but are not obligated to use his services.

The company's mission is to research financial and retirement topics and publish articles and materials to help consumers improve understanding of these topic

Item 11 – Code of Ethics, Participation in Client Transactions and Personal Trading

Code of Ethics Summary

Retirement Advisors Code of Ethics describes the firm's fiduciary duties and responsibilities to clients, and details practices for reviewing the personal securities transactions of supervised persons with access to client information. The firm also requires prior approval from the Chief Compliance Officer for investing in any IPOs or private placements (limited offerings).

Account Reviews and Reviewers

Holdings in accounts established and maintained with outside providers are reviewed on an ongoing basis by the applicable managers. Information about specific review policies of outside providers can be found in the applicable party's disclosure brochure, which is available on request.

General reviews are conducted at least quarterly by B.O.S.S. Retirement Advisors, usually when statements and/or reports are received from the applicable money manager.

More frequent reviews may be triggered by changes in market conditions or changes in client financial situation.

Our financial planning services terminate upon the presentation of the written plan, and do not include ongoing review.

Statements and Reports

Frequency and type of reports provided by outside providers depend upon the policies of the applicable outside party. Information about specific review policies of outside providers can be found in the applicable party's disclosure brochure, which is available on request.

Financial planning clients do not receive any report other than the written plan originally contracted for and provided by B.O.S.S. Retirement Advisors.

You are encouraged to always compare any reports or statements provided by us or an outside provider against the account statements delivered from the qualified custodian. When you have questions about your account statement received from us, you should contact our firm and the qualified custodian preparing the statement.

Item 14 – Client Referrals and Other Compensation

B.O.S.S. Retirement Advisors does not receive any sales award or prizes in connection with providing advisory services to clients. The firm may however receive economic benefits from AEWM or our custodians in the form of the support products and services that are made available to us and to other independent investment advisors. The availability to us of our custodian's products and services is not based on us giving particular investment advice, such as buying particular securities for our client.

When referring accounts to third party managers or platform providers, B.O.S.S. Retirement Advisors receives a portion of the annual management fees collected from outside parties to whom B.O.S.S. Retirement Advisors refers clients. This situation creates a conflict of interest because B.O.S.S. Retirement Advisors and/or its Investment Advisor Representative have an incentive to recommend outside providers because of the solicitor fees to be received by B.O.S.S. Retirement Advisors. This conflict is mitigated by the fact that Clients are not required to accept the recommendation of an outside provider given by B.O.S.S. Retirement Advisors and have the option to receive investment advice through other money managers of their choosing.

Item 15 – Custody

B.O.S.S. Retirement Advisors requires that clients' assets be held by a qualified custodian. Although we do not hold assets, B.O.S.S. Retirement Advisors or the applicable outside provider may have limited control in some instances to trade on your behalf, to deduct our advisory fees from your account with your authorization, or to request disbursements to you. For fees to be deducted, the firm will comply with applicable jurisdictional regulations.

You will receive account statements directly from your custodian at least quarterly, which will be sent to the email or postal mailing address you provide. B.O.S.S. Retirement Advisors urges clients to carefully review custodial statements and compare them to any account reports that we might provide.

Item 16 – Investment Discretion

B.O.S.S. Retirement Advisors will accept discretionary authority to manage client investment accounts as a co-manager with AEWM. B.O.S.S. Retirement Advisors will also accept non discretionary authority as a co-manager with AEWM. When co-managing accounts with AEWM, authority is delegated to AEWM and or its designated third party managers.

Any discretionary authority accepted by B.O.S.S. Retirement Advisors AEWM, or any third party manager is subject to the client's risk profile and investment objectives, and may be limited by any other limitations provided by the client in writing.

B.O.S.S. Retirement Advisors will not exercise any discretionary authority until it has been given authority to do so in writing. Such authority is granted in the written agreement between B.O.S.S. Retirement Advisors and the client, and in the written agreement with the third party custodian.

When managing non-discretionary accounts B.O.S.S. Retirement Advisors will request client approval before implementing investment recommendations.

Item 17 – Voting Client Securities

Proxy Voting

B.O.S.S. Retirement Advisors does not vote proxies on behalf of Clients since the firm does not actively manage accounts.

From time to time, you may receive proxies directly from the qualified custodian or transfer agent related to your managed accounts. Generally, proxy voting related to managed accounts will be governed by the policies of the third party money manager which is managing your account. Information about specific proxy voting policies of a third-party money manager can be found in the applicable third-party money manager's disclosure brochure, which is available on request. Information about how proxies were voted can also be requested from the applicable third party money manager.

Item 18 – Financial Information

Registered investment advisers are required in some cases to provide certain financial information and or disclosures about their financial condition. For example, if the firm requires prepayment of fees for six months in advance, has custody of client funds, or has a condition that is reasonably likely to impair its ability to meet its contractual commitments to its clients, it must provide financial information and make disclosures.

B.O.S.S. Retirement Advisors has no financial or operating conditions which trigger such additional reporting requirements.
